## *From the President:*

I pray that as we move forward this year we all are as the Day of Pentecost with one accord (*Acts 2:1*) to continue the work God has called us all to do. That we could embrace the new and welcome and receive any that have drifted away, for God has called us all to one purpose - To spread the Good News (Christ Jesus).

We must remember in this warfare that we have one enemy, satan. We must unite and reunite for the Kingdom of God. Jesus said in *Matthew 12: 25* "A house divide against itself shall not stand." God's blessings on the Heaven's Saints M/M are great and many so we must continue as you all have, to pray one for another. *James 5:16*.

I feel in my heart that God is wanting to work within the Heaven's Saints toward better unity as an international ministry. Even though we are spread far and wide, we are still one ministry. Even though each chapter has specific areas of ministry that God has led them to, we are still one ministry. Even though our backgrounds and our lives are diverse, we are still one ministry. Even though we worship in churches of different denominations, we are still one ministry. One ministry dedicated to telling others from all walks of life about the Good News of Jesus. One ministry offering a message of Hope to a lost and dying world. One ministry united in service to others. One ministry united in our love for Jesus and each other.

We all once were blind, but now we see. *John 9:25*. God has and will continue to open the eyes of this ministry, but only if we want them opened. You know, sometimes we may need one another to help open our eyes like Saul needed Ananias. But always know that before we can help a brother, we must take time to pray, read the Word, stay in touch with Jesus and yes to look deep inside ourselves and make absolutely sure that we are "walking the walk and not just talking the talk".

May God keep his hand of protection upon you and his blessings poured out on you. As always, if you need me for anything, please call.

God Bless,  
Curtis

## *A Message from the First Lady Of Heaven's Saints:*

Greetings Family & Friends!

I am so very sorry I wasn't able to go to the National's this year. I had been looking forward to it all year but my ride was cancelled & then I couldn't find another one - I missed everyone so much, but sometimes stuff happens.

Things have been going well these past few months but the heat is horrible! I am so thankful for my A.C. and I pray for those that don't have it!

I guess by now everyone know that BJ and Megan got married! It was June 23rd PTL!

We are starting to get my precious granddaughters ready for school and it's fun & sad at the same time- LOL. My "Sassy" (Keri) will be in the 1st grade! They are growing so fast. She has been doing great and there have been no more flare ups from the Kawasaki Disease! Thank you Jesus!!! And thank you to all that laid hands on and prayed for her and that are still doing so!

Alix went to "Camp KidJam" with her youth group from church and has been on fire for Jesus since she returned. It blesses me to see her sit and read her Bible! God is so awesome and is really moving among the youth!

Much love and appreciation to each & every one of you!

God Bless,  
Fran

❖ AUSTRALIA

Hi to all the Saints,

I went on the Outlaws Club Roll the Dice Run where we got the first card. I was able to share faith with another person. It was a fine day and a good turn-out for the run. That was in May. In July I went out to the dirt bike drags on the 2nd of July. On the 7th of July I went on the Rebels Poker Run. The weather was fine on the day and warm and everyone was glad for clear weather, on the way it look like rain. I loaned my Sporty to a friend who wanted to go on the run and had a great time on the bike. I went on my w800 Kawasake and had fun on it. On the run at the end we got our last card at the club house. I don't remember who won the best hand but I got the worst hand for the day. It was a great time!

On the 27th of June I went on the Tribe of Judah Roll the Dice Run. It started at the church, went to Sarina about 48 klms, then to the Eaton Pub about 28 klms and on to the Cuttable Pub. From there to Kitchendam for the last roll of the dice. While waiting for the winners, this person came and asked about my patch and then Grumpy from the Tribe came over and started to share his and I shared mine and he saw the difference in us as we shared our story. He shared his story with us of his drinking problem and that he gave it up. Then he said that he got on his bike, didn't know where he was going and came on the poker run. I think this was a divine appointment.

God bless.

## ❖ CANADA NATIONAL REPORT

Hello everyone. The Canadian Chapters remain busy with the gospel. And the Lord is moving.

I want to say that this year's Heavens Saints Rally was great. There was great worship, Word, talent, fellowship and food. The next one is only 11 months away. Start saving now to attend. You won't be sorry you did. We are all busy in our chapters and in our cities. By coming to the International HSMM Rally you get to see how large the ministry truly is.

I would like to praise the Lord and announce that Barry's testimony has reached 60,990+ hits on You-Tube since April of 2009. At the last newsletter it was 52,529. And Barry's full testimony video on the Canada's Windsor site is at 4,505 views & is at 11,608 views from the main H.S.M.M web site and growing. Praise the Lord, Barry is still reaching many for the Kingdom of God.

The International Web site has over 54,793 visits. It is a way for people to check us out. Joan would like all the chapters to go to your chapter picture pages and make sure the info is correct for your chapter when you get a chance, also if you would like to switch any of your chapter pictures to bring your picture page up to date please email them to Joan at hsbiker4@hotmail.com. The web site is a way for people to contact you. And put a face with a name. It is great to look at the International web site and see how many Chapters there are and seeing more Chapters being added.

Looking forward to reading the newsletter to see what the Lord is doing in all the other Chapters. We are looking forward to the rest of the year.

God Bless to all our Brothers and Sisters in the Heaven's Saints.

## ❖ Windsor Ontario Canada Chapter

Many of us who went to the National Rally thoroughly enjoyed ourselves. The Windsor Chapter is so busy with events, it's hard to keep up sometimes. The jail ministry continues to be one of our main focuses.

Hope everyone is having a great riding season and a blessed summer witnessing.

God Bless,

Campy Windsor, Ontario Chapter President

## ❖ Tillsonburg Ontario Canada Chapter

Greetings from Tillsonburg, Ontario!

We are blessed indeed. God has moved in our individual lives through tragedy and opportunity. Our Chapter Chaplain, Dave, and his wife Dori, our Chapter Treasurer, lost one of their sons unexpectedly in June. Saints throughout Ontario and Michigan joined alongside them with support, both emotionally and financially to help through their loss and the unexpected expense. At a recent club party that we attended, one of our members (who is a past member of the club) shared in a time of testimony and healing with a former brother. Such a blessing!

We continue to attend various rides throughout the area and build relationships with fellow bikers and riders. Nearly every weekend we are on the road developing connections, sharing testimony, and handing out Barry DVDs. Slowly, but surely, God's word is being shared in the biker community.

Our chapter is in a season of maturing. Together, we are committed to a tight, united, and focused chapter. We are coming together for devotion and prayer, learning and studying. To serve effectively, our leadership must be solid! Satan attacks those who are a threat, and those in leadership are a threat, those serving the Lord openly are a threat, those sharing God with others are a threat. Be ready for battle, brothers and sisters, this is a war, and we a part of the army of God.

Keep loving people where they are at...and let God to the rest.

Blessings!

### ❖ **Tilbury Ontario Canada Chapter**

Hello Brothers and Sisters!!

Life in Southwestern Ontario has been a bit of a haze lately! We have had an extremely warm and humid summer thus far. Not complaining though, we know the snow will fly in a matter of months.

This summer has been one of great excitement with some "new" things happening. We have been very busy anxiously preparing for our first annual Cruise and Chrome bike event. This has become a large event and just keeps getting larger each week. God is bringing in the flocks, yeah!!! July 30-31 we will be having a show and shine, camping, pig roast and fellowship weekend. We have opened it up to the public and by the looks of it, we have a great response. Please pray that God will lead us and that people will see us as "different" and want what we have.

We kicked off the summer with heading down to North Carolina. What a great week once again! It started out with lots of rain and mud but, "there shall showers of blessings" was the tune that came to mind! Fellowshiping with all the Saints is a great way to boost our spiritual life and dig in a little deeper for Christ!

We have also had lots of coffee runs where we have met lots of new bikers this year and had many opportunity to develop friendships and witness to them! God has been sooooo good this summer already! Praying that all the other Saints are being blessed as well! Hope to see some of you at our Rally!

God bless,

Tilbury, Ontario, Canada.

### ❖ **Harrow Ontario Canada Chapter**

This year the Harrow Chapter has chosen to do activities in our area that are out of doors and highly visible to the general public. Harrow Chapter started a Saturday morning breakfast ride late in May under the direction of our Vice-President, Jim Vance. Since we have started the ride it is continually drawing more and more people every week. It is providing a destination for some riders and a starting place for others. Some are showing up even driving their four wheel vehicles. The breakfast is open to all and provides a great time for conversation and building new relationships. We sit at the picnic tables outside the local ice-cream stop and have coffee and breakfast. After an hour or so we all are on our way for a ride and others are just on their way home. The luxury of having a morning run is that a person is free the rest of the day to do what they please.

For the third year we continue with our “Ride to the Dock” in Leamington, every second and fourth Friday night at 7 P.M. The Ride to the Dock was originally started by a member of the Windsor Chapter [Claude], and a member of the International Christian Biker Association [Tim B.]. When Harrow became a chapter we continued the ride. Every year is different as far as who is drawn to meet us there. This year we have members from the Honda Chapter, the Canadian Cruisers, the Harley Association and a variety of secular bikers come out. We also have people coming off the beach and those docked at the marina. After being consistent in attending for three years the general public has finally accepted us being there and take time to talk with us. When all is said and done, our mission is all about relationships and turning those relationships into the ultimate relationship with Jesus Christ. Once we show others how much we care, then they will care about how much we know. That and consistency.

We have continued to attend local secular events as well as our own events. One of the secular events we attended was the “Ride to the Wall”. Each year we attend the event to show our respect and express our gratitude to all the veterans who have sacrificed so that we [and others] may be safe and enjoy our freedom. It is a great event attended by several chapters of the Canadian Heaven’s Saints, our Brothers from the Michigan Chapter, and several hundred other bikers. This year Ben and Nancy Sawatzky invited us all back to their home after the event to enjoy a wonderful barbeque and fantastic fellowship. Thanks Ben and Nancy.

I wish at this time to ask everyone reading this newsletter to take a few minutes and pray for our Brothers and Sisters (and their families) who live in those areas that have been exposed to the extreme weather elements we have experienced this year.

May God bless you all abundantly.  
Gary Wright, Harrow Ontario chapter.

## ❖ Wasaga Beach, Ontario, Canada Chapter

Greetings from Wasaga Beach,

Our new chapter has been quite busy. All of our members are full patch members now and we held our elections. Our officers are as follows:

PRESIDENT-Brian "HADDY" Hadlow  
VICE PRESIDENT-Ken Lindsay  
CHAPLAIN-PASTOR Don Lindsay  
TREASURER-Ted Nixon

On Sunday June 12th, we were honoured to have blues singer Danny Brooks perform a concert at Grace Bible Fellowship Church. We had a great turnout and an awesome time of fellowship afterwards with a pot luck luncheon. I want to thank Rob Bolton, (one of our members) and his sisters for arranging for Danny to come.

There is a weekly ride in Collingwood, Ont, every Thursday night and they meet at the A&W restaurant at 6pm and have supper and fellowship with a great ride to follow. Our members who attend this ride are really enjoying it.

On Sunday July 3rd, Bev and I attended the Honey Harbour Community Church, on the rocks, by boat only, where Ace Clarke was speaking, being brought in by Bob Bush. It was truly awesome to hear Ace speak, and to see our "Brotha" Bob Bush, who attends the "THE SALVATION SALOON" in Florida in the winter.

On July 4th, I dislocated my right shoulder and am unable to ride. Rather than getting discouraged, I am using this time to draw closer to my Heavenly Father and get into the Word. I want to thank everyone for the well wishes and prayers. GOD is awesome! and prayer does work as I am well on my way to full recovery.

On July 16th, we attended "TEEN CHALLENGE GTA" (GREATER TORONTO AREA) FREEDOM RIDE. The weather was great and they had the largest turnout in the 4 years they have been doing the ride. It was a great time of fellowship with my brothas Jack Aldred and Brad McKelvie---may God continue to bless you both.....luv yahs.

On July 17th, our chapter went on a ride and then returned to the home of Melinda and Ken Lindsay for a barbeque. We had a great time, the food was delicious and an awesome time of fellowship. I'd like to thank Melinda and Ken for their warm hospitality.

We feel truly BLESSED that are Heavenly Father has brought us together to serve HIM in HIS ministry. We are all very excited to see what GOD has planned for us as the riding season continues. Please keep us in your prayers as we go about doing our "FATHERS BUSINESS", as we will be praying for you.

"KEEP YOUR KNEES IN THE BREEZE and YOUR EYES ON THE LORD"

## ❖ Northwest Florida Chapter

Greetings from North Florida

It was certainly good to see all of you who attended the rally in June. A blessing... always a blessing. For those of you who were unable to attend, we missed you.

NW Fl. Chapter continues to be blessed with the several ministries that we have established and are seeing opportunities for expansion all along. We have recently been instrumental in helping to raise over \$1000 for a little 8 year old girl who has cystic fibrosis and is in need of a bilateral lung transplant. It was an awesome day of cooperation and work among those in our community.

We are just around the corner from our annual Friends and Family Picnic on October 22. We will, as last year, allow that event to coincide with our third annual Women's Pregnancy Center ride. Culmination of the events will again be at Page Pond Assembly as before. We will also, on September 24, have a food drive for Chipola Baptist Ministries.

As we continue to keep all of you in our prayers please remember us also. Besides...we need the prayer and you need the practice. :)

Take Care and God Bless,  
Lamar Deese  
President Northwest Florida Chapter HSMM

## ❖ Tampa Bay, Florida Chapter

Hello Everyone, Blessings from Tampa Bay HSMM,

At our last monthly meeting we took a bit of a turn, we sort of took a different route then usual... It seems that "LIFE" has gotten the best of us, not just in the TBHSMM Chapter, but throughout the HSMM as a whole. We have all been feeling it; the lack of communication, not going to too many events, fellowship has been down, friends feelings getting hurt, people not being sympathetic, more like being self-centered...

We realize that everyone has a life and everyone is always pulled in more directions than they would like to be. So at our July TBHSMM meeting we decided to do something a little different. First we spoke about fellowship and how the TBHSMM used to be (all the time, not just at events). How much we all missed it and felt the need for our Tampa Bay Family to pull back together. Tampa ~ as most is a very tight Chapter, we consider each a member of our family, but something was missing...So we got into to pairs and asked each other, "What is going on in your life that needs prayer or a hug or an ear?" Many opened up, many cried, some laughed. The outcome was more powerful than you can imagine. Family/friendships were reunited, we re-bonded with each other. Members prayed with members they have never prayed with before, it was very moving. (we now plan on doing this at every monthly meeting)

Now our plan is to focus on the fellowship and not worry about running here, running there. As one member stated, *"we should be out everyday telling people about our Lord and Savior not just at scheduled events, if we are not~~shame on us"* Another member said, *"what will you be remembered for? ... We need to be an encouragement to each other, do you live as if you have no responsibility to your Brothers/Sisters? You must deny yourself and put others ahead of you..."* (after the Lord of course) An email was sent out a bit ago... *"Before you get upset with someone for not calling you back quick enough, or for not looking at you at an event, church, work, etc. THINK, maybe THEY have something going on in their life and they are a bit consumed. Everyone has a life and everyone's life is different. Not everyone broadcasts it. Use a Christ like heart instead of a 2 edged tongue, ask them if they are okay, you may be surprised, they might need some prayer too..."*

After the meeting we have noticed more phone calls to each other, not just to announce an event, just to talk, a few minutes to see how they are doing. The change is being made, by just a few short words of encouragement. It feels right, like things within a Chapter should be. We are not saying that "business" is not a good thing, it just should not be the only thing.

Brother and Sisters, we love each of you and are honored to be part of such a Jesus Loving, God fearing Ministry. If we remember to keep Jesus the focus and our fellow members from all over the HSMM close to heart we will be in power the greatest Motorcycle Ministry there is out there. **TO GOD BE THE GLORY!!!!**

*We want to give a HUGE THANK YOU to Curtis and Patty for being the leaders that they are; loving, compassionate and caring and most of all they LOVE JESUS!!!*

We love you guys all of you, many blessings, serving Him along side each of you, the TBHSMM.

❖ **Gainesville, Georgia**

Now faith is being sure of what we hope for and certain of what we do not see. Hebrews 11:1

**Faith.** It's the cornerstone of our relationship with the Lord. Without it, we have nothing. What is it? Hebrews tells us that it's a certainty of things that we cannot see; we believe even though our eyes have no proof. We can't always see, hear, taste, or touch what we believe, but we know that it's real all the same.

It can be a real sticking point for some folks. I've met people who have a very difficult time trusting in someone they can't talk to face to face. They want the things of God to be observable and explainable in a very logical, scientific manner just like the other things in the natural world. Trouble is, God is *super*-natural. He's above and beyond the laws of nature...in fact, He created them. Which means we have to trust Him and take His word for things we can't see and answers we don't have yet.

It would do us all a world of good to have a more childlike faith. I can remember when Zachary "Tank" was a child he would go about his day, he had total and complete faith that I was going to take care of him, meeting his every need. He simply believed that Jesus and angels were there to protect him when he had a bad dream, even though he could not see or touch them. He trusted that Jesus hears when he prayed. There was no question in his mind that the things he's been told about Jesus from his MomMom were true. He didn't need a firsthand experience to trust...and neither do we. And if God's word weren't enough, all of us do have plenty of examples of times in our lives when God has proven faithful to us, reminding us that our trust is not misplaced. Today, are you living out this definition of faith?

SMILE Have a blessed day; you're loved by the King of all Kings. :)

Just a Fellow Traveler Seeking the Savior,

Jamie - HSMM

❖ **Tifton, Georgia Chapter**

First a praise report - I have a new job which is keeping me very busy, traveling between Tifton and Phenix City.

We are also busy with preparations for the 9th Annual Colors for the Cross Rally. This is the rally's second year in Tifton, moving from Dothan, AL. We had a great time last year with about 500 registering. Make your plans to be in Tifton on Labor Day weekend. The rally starts on Friday night, Sept 2, all day Saturday and concludes with the morning service on Sunday, Sept 4. There will be lots of activities for all ages. The rally is held at the Agrirama on I-75. Special thanks to Winston and Shirley Reynolds of the NW FL Chapter for all their hard work and trips to Tifton to help with preparations!

## ❖ Maine Chapter

Hello to all my Brothers and Sisters,

Summer is too short in the North East. We just finished Sober Feast at "Our Father's House." This is a Sober House for men and a House for ladies. This was the second year, it was truly awesome. We rode from "Big Moose" Harley Davidson (largest dealer in state) to "Our Father's House." We had great testimonies, seven Christian bands, pig roast, food all day! About 500 attended. Thank God for the pool, it was 90 all day! The Holy Spirit showed up, souls were saved and seeds were planted.

We are reaching out to other clubs in August. I am trying to organize a new chapter. Please pray for that. Planning "T.R.U.T.H. Rally" on Sept.17th, this is our second year. We have great support from Life Church. This is going to be a great event. Next year will expand to a whole weekend.

Hope all is well with all the Heaven's Saints, We Love You!  
Maine Chapter . Riding for the Glory of God!

We are now getting ready for our 5<sup>th</sup> Annual 1 Stop Roadhouse event at the end of August w/special guests Robert & Alicia – please keep us all lifted in prayer for a great event and safe travels for our brother and sister. Looking forward to getting down to Ohio next week for the Barry weekend as well as a few secular events in the next few weeks to hopefully be planting some seeds! Our monthly church services over at Boomers are officially starting back up again and we are excited. Victor has a vision and God is making it happen.

## ❖ South Central North Carolina Chapter

Greetings in the name of our Lord Jesus Christ  
who is the Rock of our salvation!

The June 24 - 26, 2011 Heaven's Saints Family & Friends Rally at Murphy, NC was so awesome & it rocked out loud! Over the years it keeps getting better and better! Great music, great preaching, & great fellowship! It was so good to see many of our brothers and sisters from US and Canada together once again! It was also such a blessing that Preacher Cotton Pate and several from his church, Ridin' The Frontline Biker Church from Kershaw, SC came out to show their support. Come out and visit Ridin' The Frontline Biker Church sometime in the near future 'Where God loves you for who you are and not what you wear'. RTFL is located at: 7781 Hwy 341, Kershaw, SC 29067.

Something that the Lord has been laying on my heart and stepping on my toes about is that we need to be good examples to others at all times. In 1 Timothy 4:12 it talks about setting an example for the believers in speech, in conduct, in love, in faith and in purity. We need not only set an example for other Christians, but for everyone. Matthew 5:16 says 'Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven!'

People are watching us all the time... we need to be 'wise as serpents and harmless as doves'. If you think about it, when you're wearing your vests, people are watching us to see how react to situations & stuff. Other MCs & MMs watch & may even form an opinion based on your actions or reactions to things or how one of your members act when they are in certain situations. The Word says in Ephesians 4:29, 'Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen.'

The world will know we are Christians by our love. Just because someone wears a Christian patch, it doesn't mean they are a Christian anymore than going to church means they're a Christian or going to McDonalds makes them a Happy Meal. We may be the only Jesus that some will see. Our example could be the seed sewn that brings a lost soul to salvation or could it be a black eye on Christianity? Think about it...

### ❖ Midlands Chapter of South Carolina

As our chapter continues to reach out to the youth of America as well as the generation of awesome senior citizens that is full of great wisdom, we are honored in our chapter to have been working in the youth prison system for 11 years now and working with the Senior care facilities for 8 years strong and enjoying every moment of fulfilling the GREAT COMMISSION that is available to everyone we come in-touch with. As a chapter we have been deeply committed to these two out-reach programs and will continue to go full throttle for Jesus as we continued to reach out to the lost in this great country we live in.

It is with a tremendous amount of honor that we announce that as The Midlands Chapter we have presented our 2<sup>nd</sup> college scholarship to Ms Elizabeth Rodgers who will be attending Emory University this month. She is the proud niece of Skinny Rodgers who is our chapter vice-president and he as well as everyone involved in this chapter are very excited at what she has accomplished and wish her well as she continues her education. We will be looking forward to presenting our 3<sup>rd</sup> scholarship as we continue to work with the great leaders of tomorrow as they impact the world today.

My lovely bride and myself have really missed not being around the great brothers and sisters in this ministry and we are looking forward to seeing everyone again when we meet for our next officers meeting.

God Bless  
D.J. Johnson  
Phil 4:13

### ❖ Texas Chapter

Howdy from Texas,

It has been hot here, and I'm not just talking about the weather. We have been on the move. Something going on every weekend. Praise God, where He guides He provides.

The National was great this year. I, like most, totally enjoyed the fellowship with the other Saints and others. To be able to hear the testimonies of what God has done in, and through their lives is very encouraging and uplifting. The services were as Roadkill says, "Outstanding." They just keep getting better and better. Everyone that came from Texas had a big time. This was Pinetree's first time to the National Rally and said she felt honored to be part of the rally and the Heaven's Saints.

While we were in NC one of our member's house burnt down. It was a total loss. HSMM, CMA, Tribe of Judah, Bikers for Bikers, churches and friends all came together to show God's love and provision. Our God is a God of reconciliation and restoration.

We also attended the Southwest Believers Convention in Ft Worth, Texas. Made several contacts with other bikers and with Canaan Land Ministry in Alabama.

Several people asked about Rick Perry while at the National rally. Rick Perry has called for a meeting to be held at Reliant Stadium in Houston, Texas on August 6, 2011, to Fast and Pray – Asking God's forgiveness, wisdom and provision for our State and Nation. This has never been done before. "*There is hope for America. It lies in heaven and we will find it on our knees,*" signed, Rick Perry, Governor. There are M/C, M/M, Assoc., and Secular planning a show of power. New Waverly HSMM are planning to participate and covet your prayers.

Tommie Lucas, Pres.  
New Waverly, Texas HSMM

### ❖ Virginia

Thank you brothers and sisters for making this year's rally a blessing for me. Always so good to see everyone. Yes there was new members to remember, old ones to mess with, some that could not make it and some that went to be with the LORD, we love and miss them but will see them again soon!!!! We has church, tears, music, rain, sun, games, meetings, fellowship, rides, good food, BBQ, and to top it off we had ICE CREAM!!!! Thanks Tammy!! Thanks to all that made it possible.

MAT:12:50 NKJV Red letter, *For whoever does the WILL of my father in heaven is my brother and sister and mother.* It's been buzzy, we are going here and there spreading the love of JESUS!! There is a unity Christian breakfast 4 Saturdays a month (no need to go hungry), churches to crash, rides, shows, evening meetings, feed the homeless, and

much much more. But if we are not spreading the love of JESUS , we are just spinning our wheels and missing a chance to be a light. We might be the JESUS that someone needs. It's not just your words but it's your walk that some see.

Hey do you know that if you leave the HSMM Bibles in the backseat of your car they turn purple in the sun--COOL!!!! Well that's all for now, love you all, JESUS loves you all.

Rodney HSMM/SFFS  
Virginia State Rep

P.S. Just a crazy thought. Just got back from NJ. How come they don't know what sweet tea is but they have great sweet corn grown there???? And to my Canada brothers, I watch a show called Red Green and it's made in Canada. Is Possum Creek Club and Place real? It is a good clean 1/2 hour show!!!! Maybe you know the guy? Once again thanks for all of you brothers and sisters and may you all be blessed and know that JESUS loves you as I do too!!! Rodney  
HSMM/SFFS GOD BLESS

### ❖ Virginia Chapter

The Virginia Chapter participated in a weekend biker rally on 07/29/2011 to 07/31/2011 in Powhatan, Va. A collation of approximately 8 motorcycle ministries came together for the event. What an awesome experience GOD gave each and every one of us. Thank you LORD.

We are planning an upcoming "Biker Sunday" at Salem Fields Community Church located in Fredericksburg, VA on August 21, 2011.

For more information go to [www.Salemfields.com](http://www.Salemfields.com) or email [tony2pam1@aol.com](mailto:tony2pam1@aol.com)

Hope to see some of you there. It's going to be an AWESOME event. All glory to our GOD. I can guarantee HE will be there.

Love to all and God Bless,  
Pam Skrodelis, HSMM Secretary, VA Chapter

## *An Encouraging Word*

Strengthen The Faith That Remains

It was so good seeing everyone at the Rally. Thank you to Donna Z for the Foot Washing service and Shellie Creasy for the great Word she shared on Saturday. How blessed we are in the Women's Ministry to have so many gifted women that desire to give out to others.

One thing I noticed at the Rally when talking to people, was that many are going through STORMS that are Raging! I want to encourage you today to read Acts 27:20. Paul declares to those in the ship during the Raging storm, to take heart, that no life will be lost among them but only the ship! God is the God who sees. God sent an angel to minister hope to Paul that everything was going to okay! Today God is raising up Deborah's and Paul's, that will stand up in the midst of the Battle and Declare the Victory !! Don't look at what voices or circumstances are raging in your atmosphere today, but look to God who sees your every storm and is asking you to be a voice in this hour that will make a difference.

My prayer for you today is that in your weariness, may God strengthen the Faith that remains within you. May you choose this day to be a Voice in the midst of the Raging storm and know that if God is for you then who can be against you!!

With much appreciation and gratitude,  
Sue Moore

## *Words of Wisdom from the Chaplain*

Though none go with me

In my early childhood I remember singing a song entitled "I have decided to follow Jesus". One verse of that song says "though none go with me still I will follow". What a powerful determination. Our relationship with Christ is not based on others but it is very personal. He is a personal savior.

Often times as we go along down life's highway we are beset by others who fail to follow through with their personal commitment to Christ. Discouragement awaits its next victim, hoping for a domino effect by causing one to draw back and adversely impacting others. Paul said we are not of those who draw back unto perdition but we are those who go on to the salvation of the soul. What a prize. That reward is one worth following for even when others lose focus.

Distraction can be deadly. Motoring down the road at 55 mph, or so, it takes but a second of lost focus to have catastrophic results. In a world filled with distraction, keep your focus. Be an example of how to keep it on the straight and narrow. Tap into that drive that says "If none go with me still I will follow". Finish the course and fight a good fight. You will find that others will go with you all the way.

Be Blessed!  
Bro. Scott
