From the President:

As I sat here today thinking and praying about the newsletter article, I felt led to share the following:

As Christians and HSMM members, we are under the microscope. People from all walks of life watch us and they listen to what we are saying. Some do this so they can criticize us, some just to hear what we have to say and others watch and listen looking for proof that we are living and walking the way that Jesus would have us to do.

Our personal witness for Christ can be ruined quickly by something we say or do. We've probably seen this happen to someone we know. I have and I've often wondered do these people that so carelessly open their mouths without thinking realize that not only is their witness less than what it should be, but their creditably as a Christian is also lost.

I'm sure that we all know people that just don't think before they speak. They will say something they think is funny, but in reality it is hurtful or in haste react with words said in anger. I've seen "Christians" that do this time and time again and then they wonder why friends, family and others tend to avoid them. They won't listen or try to comprehend when someone tries to discuss their hurtful actions and words with them.

Their witness has been so tarnished that no one any longer has faith in their walk with the Lord and what they have to say about Him. I pray that this hasn't or never will happen to me or anyone reading this article. I said all of the above to say this – We should always pray and think before we speak or react. We should always think, speak and act as if Jesus is standing next to us, because **He is**. If we visualize Jesus standing right beside us, we will become more and more aware that Jesus sees, hears and knows everything we do, say and think. As we become more aware of His presence, we become more like Him. We will become more gentle and loving as we speak. As members of HSMM and as Christians, we need to continue to strive to be more like Christ every day.

We are human and we will make mistakes and when we do, if we ask Him, Jesus will forgive these mistakes. People are not so forgiving. If we hurt someone with words and ask their forgiveness, as we ought to, they may forgive us once or even twice, but if we continue to speak hurtfully, their belief in our witness will soon fade completely and it will be almost impossible for us or anyone else to witness to that person. A word spoken in haste, anger, criticism, a negative remark or just a joking word spoken in an unloving manner can push the person you are speaking to away from you, church or Jesus. I'm a firm believer that you can tell anyone anything, if you say it in the right matter, with love, concern and kindness. What are your actions and words saying about your walk with Jesus? *James 1:26 Those who consider themselves religious and yet do not keep a tight rein on their tongues deceive themselves, and their religion is worthless.*

God Bless,
Curtis

P.S – The Officer’s meeting in January was one of the best I have ever attended. God was in control! I truly believe that this is the year of Jubilee for the HSMM members – financially, physically and most importantly spiritually!!!!

Start making plans now to attend the International Friends and Family Reunion in June. I look forward to seeing each of you there. As always, you are in my prayers. Please don’t hesitate to call if you need me for anything.

A Message from the First Lady Of Heaven's Saints:

Greetings Family!

Well, we are beginning another year & I am really looking forward to what the Lord has in store for us!

I was very blessed New Year's to be able to go to Atlanta and see my sisters! It was the first time in almost 4 years since I have seen them. It was a true blessing and I had a wonderful time! Things here are going well - I hate the cold weather and snow - but spring is just around the corner, Amen!

PTL! It looks like BJ is getting married!!!! Hallelujah! I'm excited! Looks like he has found the right one and they are talking about wanting to have the wedding at the Nationals but are still undecided.

I have been very blessed to get phone calls from people in other states that I never get to hear from to just say "love you Fran" and it has really blessed my socks off! Thank you so much!

Guess I'll stop for now - love to each and every one of ya'll!! Be Blessed in Jesus!!!

Love,
Fran

How are all the Saints? Hope all had a good festive season. I have had a quiet few months. The first motor cycling event for the year was the Rebels poker run. I had a CMA Christian brother from Townsville events down. He came on the poker run and I loaned him my 250 to do the ride. We had a great time on that day .

There is something that I would like to share with my fellow Saints about being single. I would share with single women in the past at events and I would pass out my phone number as I would share with them. I have caused myself grief, being on my own and have no support when dealing with these women. I have decided not to do this from now on as to protect my heart and my patch. God bless in Jesus name.

❖ CANADA NATIONAL REPORT

Hello everyone, here in Canada as with everyone we are very tired of the winter and the snow. But it sure has not slowed down the work that we have to do for the Lord.

We had an awesome time at the Officers' meeting last month in Chattanooga, Tennessee. It was great to see all the bro's & sis's of this ministry in one place. We enjoyed the service on Saturday evening. Rodney, Vic and Scott did an excellent job bringing the message and Claude and Rob leading the praise and worship.

In the last newsletter we mentioned that we were looking at putting a booth at the largest North American Bike show in Toronto Ontario, and that we have wanted to do this for years. We were praying that 2011 would be the year that we could do it. Well the Lord made it happen and we gave out 506 Barry DVD's and a bunch of tracks and Bibles along with a lot of conversations with people about the Lord. There was also interest in the Saints. Toronto is between our Barrie

Chapter and the Tillsonburg chapter. All the chapters in Canada sent workers for this weekend and they all did an awesome job. Thank you for all your prayers for this event.

Now we are getting ready for the London Ontario show on February 11, 12 and 13th. Not as big as the Toronto show but we have been doing this one for years. We are looking forward to it. Then in March we plan on doing the bike show in Kitchener Ontario. It will be new to us.

I would like to praise the Lord and announce that Barry's testimony has reached 46,000+ hits on You-Tube since April of 2009. At the last newsletter it was 36,799. And Barry's full testimony video on the Canada's Windsor site is at 4,104 views & is at 9,502 views from the main H.S.M.M web site and growing. Praise the Lord, Barry is still reaching many for the Kingdom of God. The International Web site has over 49,106 visits. It is a way for people to check us out. Joan would like all the chapters to go to your chapter picture pages and make sure the info is correct for your chapter when you get a chance, also if you would like to switch any of your chapter pictures to bring your picture page up to date please email them to Joan at hsbiker4@hotmail.com. The web site is a way for people to contact you and put a face with a name.

Looking forward to seeing the rest of the newsletter to see what the Lord is doing in all the other chapters. God Bless to all our brothers and sisters in the Heaven's Saints.

❖ Windsor Ontario Canada Chapter

Greetings from Canada's 1st and now 10 year old chapter with 15 active members. The good news is that six of the original eight who formed the chapter are still active: Tim & Joan, Campy, Claude & Margo & George (now with the recently formed Harrow Chapter).

It has been a time of excitement and disappointment, ups and downs, challenges and triumphs. We have learned from our challenges and focus on our triumphs. Our ultimate focus though is on our Lord and Saviour, Jesus Christ and without faith in Him we have no hope.

Our faith is tested often but it remains a gift from God, a gift like no other. Our chapter is busily involved in prison ministry every Wednesday and Friday afternoon and Saturday mornings on an eight week rotation with other ministries. On Tuesday evenings at SCBC (Second Chance Biker Church), we have our video night where we fellowship and view testimonies and teaching videos to strengthen our faith. Well no one is riding at this time, there is too much ice and snow. We do envy the Florida boys!

In the winter months, we attend bike shows and swap meets and have a ministry booth set up. At the booth, we present those stopping by with the good news of the Gospel through tracts and Barry's DVD testimony. We all look forward to the riding season.

On a personal note, my wife Bev and I were very saddened by TT's passing. You see, Tommy & Tammy were guests in our home for a couple of nights when they visited Ontario, Canada and we became friends. I pray that Tammy continues to be comforted and receive God's peace, grace and blessings.

Friends and Saints continue to pray for each other.

Respectfully submitted for the Glory of God because he alone is our hope.

"Campy"

Windsor Chapter, Ontario Canada.

❖ Tillsonburg Ontario Canada Chapter

The winter season is usually quiet for us here in the north...even though we are south of many states! We recently attended the Toronto bike show with our other provincial chapters, lead a couple to the Lord there and prayed with

another in the booth. We will be at the London bike show in February and the Kitchener show in March, where we will be proudly proclaiming Christ as our Lord and share our own stories and testimonies with people that we meet.

We continue to meet and make plans for the upcoming months which include community rides, fundraisers for charities and will make a trip or two, or three across the border to serve with other chapters in Michigan and Ohio.

Our chapter has seen members move on to serve God in other areas and ministries and we are thankful for the time that we had to serve alongside them. In the meantime, we are also encouraged by the interest in new potential members coming onboard to serve in the ministry. God will send the workers, we just remain faithful because He is the Lord over all.

Blessings to all our Brothers and Sisters,
Tillsonburg Chapter

❖ **Tilbury Ontario Canada Chapter**

Greetings from the GREAT WHITE NORTH!!

As I look out my front window I see SNOW, SNOW, and more SNOW!! It is absolutely beautiful here in Canada but, a bit on the frigid side! Brrrr! We have had a few days recently where we got pretty snowed in but, we must continue life along with the ministry! God has blessed us with MANY salt trucks and plows that have kept our roads clean and in turn kept us safe on the highways! :)

On December 28th, 2010, the Tilbury chapter partnered up with the Harrow chapter and we were given the privilege to serve at a Christmas dinner for the Kingsville Community Church. The turnout was great along with many children who all received a Christmas gift as well. January 2011 started out with a bike show in Toronto that a few of us attended. Great opportunity was given to witness to many there and a few also showed interest in the ministry! PTL! January ended off on a really good note with some of our officers going up to Tennessee for the officer's meeting. They came back encouraged and full of smiles of the great time they had!

We as a chapter just patched in our newest member, Jeff Janzen. He is a young man full of gusto to do the Lord's work and we are excited for him. During the winter months we meet as a chapter the first and third Saturday of every month. We are also doing separate Bible studies for men and women. The men have started a series called The Truth Project and the women are having a devotional time along with sharing and pray time. We have already started planning some rides for the summer :) (There is a lot of riding fever going on out here!!) Some of these rides include attending a lot of local events such as Duke's Harley Davidson's mystery rides on Saturday's, BBQ events, local coffee rides and taking rides out to Robinson's Motorcycle as well.

Luke 10:2 He told them, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field. We are very excited to see what the Lord has in store for us and are wanting to do His work! We are definitely also looking forward to some warmer weather to get the bikes going and warm up! God bless and cya in North Carolina in June!

❖ **Harrow Ontario Canada Chapter**

December was a busy month for the Harrow chapter. Diana, Marlowe and I attended the year-end Celebrate Recovery dinner and service. Great fellowship and a great service were followed by a meal of great Chinese food. I, Diana and Jim were invited to attend the Windsor chapter of the C.M.A. Christmas Dinner where we treated like royalty with a meal fit for a King. Hospitality and fellowship was exceptional and we all enjoyed ourselves every minute of the night. On December 26th Scot, Nancy, Dave, Kathy,

Diana and myself attended the “Biker Breakfast” in Ruthven (Ontario). We enjoyed a bountiful buffet of breakfast items. Others attending were the North Wall Riders, Honda Club, C.M.A., Queensmen M.C., Canada Cruisers, and Essex County Riders. (Estimated attendance was 90.)

The year 2010 then came to an end with members from the Harrow, Windsor and Tilbury Chapters of the Heaven’s Saints uniting with the Windsor Chapter of the C.M.A. (Christian Motorcycle Association) in a common effort to serve the public. The force of Christian Bikers helped to serve meals to over 200 people on December 29th. The event (To Kingsville and County with Love) was a combined church event to show the love of Christ to the residents of the local area. The Turkey supper, with all the trimmings, was followed up with presents of toys (donated by “Toys for Tots”) for all the children present. It was our pleasure to be a part of such a wonderful event and to be blessed with the opportunity to serve in our local community.

We brought in 2011 with our annual January 1st gathering at the Harrow House. This year we went with the “potluck” theme and we enjoyed a variety of fine foods and deserts. In years past we would supply the meal in its entirety but this year we decided on the potluck theme to create a feeling that the event was a common interest. We were blessed with members of other Chapters of Heaven’s Saints, Windsor Chapter of the C.M.A., Essex County Riders (a secular group), Honda Club, Windsor Chapter of the North Wall Riders, Queensmen M.C. (secular club), members from the local Celebrate Recovery group, and other local citizens.

Harrow Chapter is making our objective for year 2011 to be that of becoming a valuable asset within the community, to promote awareness to who the Heaven’s Saints are, and to continue with our founder’s (Barry Mason’s) vision to evangelize to bikers and motorcyclists. We will attempt to be more fruitful and less busy. Stressing upon balance in our lives whereas God is first (and always most important), family second, work next then our ministry. We are going to make an intentional effort to be as visible as possible. We will choose secular non-threatening settings for our gatherings where believers and non-believers will feel comfortable approaching us. We will make a conscious move to unite all the Christian bikers to work together for the common good. Most of all we will strive to be the best witness we can possibly be.

May God bless you all in abundance and have a great 2011.
Gary Wright, President
Heaven’s Saints Harrow Chapter.

What a great Officer's meeting! Having the meeting in January is a real uplift for us all! For me, I thought it was the best meeting we ever had. It is always good to see brothers I've known for years and new ones. I am looking forward to seeing all God has for us in this new year. As it was said in our meeting, Raise a little Heaven in 2011. I thought Saturday night worship service at the meeting was a great way to end the weekend. Claude and Rob led us in an awesome worship time. Really great Word from Victor, Rodney and Pastor Scott. Will see you all in June.

❖ Enterprise, Alabama

We pray you and your families are well.

Some things are here for a season and some for many seasons. The season for the Enterprise Alabama chapter has come to a end but this is not a bad thing nor a good thing. We feel it is God's plan and in God's plan other doors have opened for Alicia and myself in the HSMM. Our remaining member will transfer to the Central Alabama chapter. Alicia and I will become part of the N.W. FL. chapter. For those that don't know, we are moving from Alabama to Florida within the month. God Bless all and please keep us in prayer.

In His Service,

The Phenix City Chapter did a Boston Butt and Rib Cookout on 2/4-2/5. We had lots of help and sold out of all the meat. Thank You Lord. Walk Classic is 3/12, this is done through Open Door to help people in need in our area. HSMM will be cooking hot dogs and serving the food. We are going to be busy in about a month with events.

The season is just beginning please ride safe and get out there and work for GOD.

❖ Gulf Coast Florida Chapter

We did our annual Christmas Homeless feeding which as always, was an incredible blessing. We assisted, by providing transportation, in helping to provide breakfast to nearly 300 people at one of our local restaurants. Later on in the day we served up our annual Christmas dinner which included 7 turkeys, 100 lbs. of ham, mashed potatoes, sweet potatoes, green beans, stuffing and pumpkin pie. We fed over 125 people, passed out well over 100 gift bags and gave away 2 bikes to a couple well deserving kids.

We are seeing growth in our chapter with the addition of a couple new members. We have a lot on our plate again this year and will be making our 2 annual visits to the Florida Baptist Children's Home, Stepping Stones Farms, which is an at risk youth facility for girls. We are adding a new outreach which is to a group called the Children's Homes Society that serves as a transitional program for foster kids that will be leaving the system and going into society, so we hope this will give us a great chance to mentor some young adults. We will also continue to support one of our local Veteran's Homes with hopes of adding a new one that serves wounded Vets here in Tampa. Finally, we had a strong showing at the annual officers meeting and came away encouraged by the new chapters, and the continued emergence of the Women's Ministry, so if you were not able to make it this year please make sure you make the Rally!

It is with GREAT pleasure and excitement that I announce that the 5th annual M/M Bonfire is going to be held on March 19th, the weekend after Bike Week in Daytona. We are currently making preparations and things are going smoothly. The Lord has blessed us every year with spectacular weather and I am also excited to announce that we will be back at Allen's property on Tampa Bay in Clearwater, which is a slice of paradise. This location is special and I believe that God opened this door for a specific purpose—MINISTRY! The purpose of this event is simple—FELLOWSHIP!!! The event will feature the Psallo Praise & Worship team once again, there will be FREE FOOD and we will cap off the evening with some good ol' SMORES! We encourage ANY/ALL M/M's to attend as this event is to serve as a source of encouragement for one another as we lift each other up in the Lord. As always, if you have someone on the fence about joining your ministry and you believe that attending this event would be helpful then we would encourage you to invite them. I have a pretty sizeable email list, but please pass this along to those in your ministry. We have nearly a dozen different M/M's every year and my prayer is that it will grow to even more this year, so let us be of ONE MIND and ONE

ACCORD as we gather together. Please see the flyer on the 5th Annual M/M Bonfire for any additional questions and we hope to see you there. If you have any questions please call/email me. 727-776-9550 bucky9550@me.com

Pictures above are from the 2010 4th Annual M/M Bonfire.

Remember...It's NOT about the patch...It's about the purpose! We are excited about what the Lord has in store for us in 2011 and may the Lord of Glory be with you all!

❖ NorthWest Florida Chapter

Greetings from NW Florida,

It is hard to believe it is already the middle of February and our 2011 calendar is full -- we count that as a blessing. The NW FL Chapter continues to be honored with invitations to minister in several of the local prisons on a regular basis. Also, many of our members are heavily involved with Heaven's Way Biker Church and Alford Baptist Free Clinic. Our Chapter's Women's Ministry is gearing up for the 3rd annual Women's Luncheon for the purpose of reaching out to ladies in our community.

As I am sure you all will agree, the recent Officers' meeting was uplifting, encouraging and re-energizing. I have been informed that the ladies' meetings were the same. It is so good to gather together with fellow Christian brothers and sisters.

On a personal note, our family would like to thank all of you that have called, emailed, and visited during Rodney's stay at Mayo in Jacksonville. Your thoughts and prayers are appreciated beyond words. At this time, Rodney remains medically sedated, but we have seen some improvement.

God's blessings to you,
Lamar (Cpt. Hook) Deese

❖ "This is the message we have heard from Him and declare to you, that God is light and in Him is no darkness at all. If we say that we have fellowship with Him, and walk in darkness, we lie and do not practice the truth. But if we walk in the light as He is in the light, we have fellowship with one another, and the blood of Jesus Christ His Son cleanses us from sin. If we say that we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. If we say we have not sinned, we make Him a liar, and His word is not in us" 1John 5-10

Hello HSMM, my name is Ralph Lawson, and it's been a long time since I have written anything for the newsletter. I was once NWFL Chapter President and HSMM National Director of Prison Ministry. I opened with this scripture because I myself ask Jesus for forgiveness every day, I am a sinner, we all are sinners and only through the blood of Christ we are forgiven.

I became crippled with a spinal disease in 2003, evidently broke my back in 2 places and have 5 fused vertebrae (no, not from riding lol) My heart has and always will be with the HSMM and all those that serve Jesus Christ. I joined the HSMM in 1999, and met Barry Mayson. There are so many new faces in the ministry that I do not know, new members have

come and gone over the last eleven years, but now the HSMM appears to be stronger than ever. I am sure my old friend Barry would be pleased. I was once very active in the ministry and those of you that are "old" lol probably remember me. Eight years ago I was benched, put in a wheelchair and heavily medicated, but the good Lord took away the wheelchair, and a lot of those drugs, but He just hasn't seemed to heal me completely and restore me. I've tried my best and fall short. We never really do understand why. I have never been mad at God, and His Son. Matter of fact Jesus is the only thing that has kept me going, He is my faith and every day we talk, He is my Rock.

With this said I do have a very loving wife Barbara, she is my life. I don't know what I'd do without her. I didn't know whether to write you all with this, I really love you all. Back in the day, I never got tired of hearing Barry's testimony, I still watch it on video. I am honored to be Barry's webmaster for www.barrymayson.com which, he and I set up and is now his memorial site. Barry Mayson had a vision for the ministry, it's up to ya'll to keep it going. I remember Barry asking the church "did I just say a cuss word?" Well, sometimes ol' Barry got carried away and slipped up, he never slipped back.

I watched the internet last year, I heard about all these bikers slipping, falling down and getting hurt, it blew my mind, they were all Heaven's Saints. Saints don't do that, don't crash your motorcycles! Sorry, I get side tracked...and I've written enough. Please, in 2011 keep Barry's words he loved so much in your hearts "WE WILL STAND" Amen God bless you all! The Greatest Is Love.

MIGHTY, MIGHTY LORD, We come before you with Praise and Thanksgiving. We humble ourselves before you and thank You for the Works You have done in all of us. Without You we are nothing, with You we can take on the world. Lord, we are heading into Your fields. We believe the harvest is plenty, and it is time to sow and reap for Your Glory! Daytona Bike Week is one of the biggest motorcycle events in the world. As we head out as Your Servants we ask protection and boldness to go out and preach Your Word. Bike week is right around the corner, 3 weeks away. We need to be prayed up and ready to serve. Eleven day event, people from all over the world, different races, cultures, religions. But all the same in the heart, all created by You.

If you are coming down to FL for this mega event please let us know if you need a place to stay before or after (Bike week) and we will set up "host" homes for you all. As you know Saints we have a place to stay during the event if you are helping in the Ministry tent. (just let us know you are coming and we will save a piece of floor for you, it is filling up fast !) Bring your sleeping bags or air mattresses!

This year the large Ministry tent will be set up at the International Speedway. We will see upwards of 300,000 people walking by our HS tent. If you need a relief from the cold of snow LOL come on down to FL for Bike Week~~~ March 4~13, 2011 and the HS 5th Annual Barbecue (hosted by the Gulf Coast Chapter) March 19th, 2011 Saturday. If you need a place to hang your hat let us know, we'll set you up.

TBHSMM is gearing up for the June Rally, we will be making Sunday morning breakfast again. Any requests!?!? LOL. We will be making our "self proclaimed famous" Mickey Mouse pancakes :) Ladies you will not want to miss this year's rally. Us women have got some really super things planned for you all. Are all you Chapters working on your ideas for the raffle baskets? Going to be great!!! Tell all those in your Chapters to bring their wallets, they will not want to miss out on the bidding!!!!

I wait for You, O Lord; You will answer, O Lord my God. Psalm 38:15

Have you ever gotten impatient with God? Have you ever prayed for something and become frustrated because you didn't get an immediate response? Most of us have been in that situation more than once. We lift something up, then we don't get whatever we wanted right away, so we assume that God didn't hear or that He isn't choosing to answer us. But part of prayer, whether we like it or not, is surrender. When we pray about something, what we're really doing is turning it over to God and saying, "You handle it." So often, though, the surrender is incomplete. We tell Him *how* to handle it and get frustrated if the outcome is different, or sometimes when we don't see Him working immediately, we take it back into our own hands and start trying to work it out ourselves (Thanks pastor Marty – Special order don't upset us). The truth is, God hears every prayer we offer and if we will just wait for Him patiently and without our own agenda in hand, He will indeed answer. There are all kinds of ways He can choose to respond, and more likely than not, it won't be exactly the way we envisioned things. But the key is to wait and to trust that He will not leave our prayers unacknowledged. Sometimes it may take a while to see the results, but even before we see them, God is in fact working to bring about whatever He has in mind...it just may be that we see only the end result, not each step along the way.

Today, is there something you've not fully surrendered? Are you praying, then refusing to wait for His answer? Let Him take control; wait patiently and see what He will do! SMILE and know He loves you so much! :)

Jamie Dunkerly- HSMM

Greetings from South Georgia.

Awesome Officers' Meeting this year. Great time meeting new officers and their wives. Took care of lots of business, then had time for great praise and worship and fellowship. Thanks to Rodney Deese for an awesome message on Saturday evening.

We lost a few members in 2010 but GOD has already started putting new faces in our path to minister to and hopefully bring into our ministry in the future. God is awesome, how he moves in our lives.

Judy and I are getting ready for Daytona Bike Week and spending some time with our Brothers and Sisters from Gulf Coast and Tampa Bay Chapters. When we get home from Daytona we will start getting ready to kick off our Friday Night Bike Night at Crossroads Choppers in Tifton, Ga., the first Friday in April from 6:00pm till 9:00pm. Everyone welcome.

Judy sends her thanks and her love to all the ladies at the meeting this year and hopes to see everyone again real soon. Well, time to get back on the bike and hit the road spreading God's message. Everyone ride safe and see you soon on the road.

Well, the new year is shaping up. The Officers' Meeting was awesome, recharged me and I brought that back to my chapter. Last Sunday was the Great Northeast Swap Meet. We had a table, my whole chapter showed up and a couple support members too. We gave out Barry's CD's, Bibles, crosses, a great day of ministry. We are making plans for Laconia and the N.C. Rally and more. Can't wait till SPRING, going to be a great Summer.

"I was lost and confused. I had been beaten and abused.
I hated the things I had done and what I had become.
I chose to walk a path that brought me to dark places. I saw tears on familiar faces.
The bottom I hit hard and fast. Was my life now over, my memories passed?
His hands pulled me to my feet when I finally let go. My tears poured when he said "We reap what we sow."
Grace was given and I received. My Father had saved me the moment I was conceived.
A new life for me. Brand new eyes to see.
With the Saints now I ride. Forever with my Father's pride.
Give us the lost and the broken. The pushed down and the choking.
The wind in my face and the freedom from bondage. No longer will I be held hostage.
I ride side by side with my new brother and smile to heaven at my new Father.
Ride, drive, walk, or crawl, the Heaven's Saints are brothers to us all."

❖ Michigan Chapter

Blessings once again from the great white north:

The Michigan Chapter had a very productive fall and winter season. We were able to bless a local shelter in Pontiac (Grace Centers of Hope) this past Christmas with approximately \$3000 in financial and clothing donations to help the children and parents less fortunate. It was truly one of the most rewarding events I have been able to be a part of – just seeing the expressions of the staff and the people when Rodger drove up with the trailer to the front door was simply beyond words. I need to especially thank Rodger & Mary for organizing this event and the members of the Michigan Chapter who went above and beyond in this endeavor.

Also, this past Thanksgiving we went to Grace Centers of Hope and helped with Thanksgiving for the homeless. Once again another spiritually rewarding day had by all. I am extremely grateful for all those that were able to help make this day a little more special for those who have less. (photos attached)

Also, we held our post Thanksgiving church service @ The Roadhouse and we had well over 160 people in attendance. We had the opportunity to share time with Chris Stevenson from WMUZ 103.5 Christian Radio here in Detroit and his family. We are looking forward to possibly working with Chris and venturing the Saints out into new areas.

We are currently lining up our events for 2011 and they will be posted on our web site – www.michiganheavenssaints.com – some of what we have lined up so far is Bone Prophet on July 29th at The District in

Orion, Michigan and then in Canada the next night and our 1 Stop Roadhouse event August 28th. We are having Roger and Alicia come up as our guest speakers and we look forward to spending quality time with our brother and sister in the Lord.

Finally, Dave Meade has officially stepped down as Mich. VP – Rodger Crawford in the new Michigan Chapter VP as well as Road Captain. Please welcome Rodger into this position of leadership. He is a truly remarkable individual and we are honored and blessed to have him as an officer.

God Bless you all & see ya' in June @ the rally.

Greetings in the name of our Lord Jesus Christ who is worthy of our praise for the great things He has done and is doing!

The January 2011 Officer's Meeting in Chattanooga, TN was a great time of fellowship and food with old & new friends as well as getting some business accomplished too! It was so awesome to be with men of God who are not ashamed of the Gospel of our Lord Jesus Christ. How pleasant is for brethren to dwell together in unity!

Be on the lookout for people who may come across your path where you may be the one who plants a seed into their life

where they will eventually accept Jesus Christ as their Lord and Savior because of something you said or done that witnessed to them. You may even be the one who leads them to the Lord. Stay prayed up and in communion with your Father God. Praying and listening. We, as His sheep know His voice and we know to follow Him and not the voice from a stranger. Let's lead others to Him as opportunities present themselves. There is a world out there dying and going to hell. How will they know the way to salvation unless we show them the way? Don't leave it up to the preacher or think that the Lord can't use you. If the Lord can use Balam's donkey, then he can use you or me!

Much Love & Respect in Christ, Dano HSMM SFFS

❖ WESTERN NORTH CAROLINA CHAPTER

Thank you so much HSMM for your generous donation to BikerDownWNC.org. We are able to minister, bless, encourage, listen, whatever is needed to accident victims and their families from near and far and fill a need to fellow motorcyclists. This certainly is much needed and helps us be prepared for the start of this riding season. When unexpected accidents happen, our monies help go toward gas funds, food, hotel for family members, bills or new eye glasses since many times they get broken, every little bit helps and could make the difference of really just making it just a little bit easier. Long term goals as we grow would be able to also help pay for a new prosthetic or other needs where we could greatly make an impact. Many are from out of town and continue their recovery after they leave the Asheville area. However, on occasion we minister to our own and are able to continue to minister as they return home or go to rehab. We visit, run errands, mow lawns, make food.

One of those special people is Al Heick. He was seriously injured in a bike accident on I-26 in September. He was in ICU and in the hospital over 60 days and had eleven surgeries. Doctors called the family in 3 times thinking he wasn't going to make it. He told me every time someone prayed he felt it and pulled thru. I am glad to report Al has moved into a new house, apartment of a friend and is receiving home rehab until is he able to walk and continue further rehab at a facility, which will include swimming pool rehab. He is grateful to all his family, church, friends and BikerDown ministers are included in that list, but he is most thankful to God for allowing him to live and continue healing, and the love of Christ shown thru people. Please continue to help us pray for him as he still has a long journey as well as all accident victims.

Be open to opportunities to share the love of Christ and do what you can to help those in need, we all need something and each other.

❖ Ohio

Greetings from Ohio,

It has been a long winter, but it comes and goes every year. It was good to see everyone at the officer's meeting in January. What a great time of fellowship.

We are moving forward with the work of the Lord. We are planning an Open Arms Run for the domestic violence shelter for women. It is going to be in May. The date hasn't been finalized as of yet. The Barry Mayson Weekend will be August 5th and 6th this year. Rusty Poss will be the speaker. We are planning on doing more secular events this year. More rallies and the Ohio Bike Week in June. This is one of the biggest events in Ohio held in Sandusky, Ohio. The dates are June 3rd thru the 12th.

Hope to see everyone more this summer. Stand firm and move forward in the name of the Lord.

God Bless,
Ken Spriggs

❖ Midlands Chapter of South Carolina

Real Christians

The thing that impressed me most at our International Business Meeting was the willingness of our leaders to risk their lives to take the Gospel of Jesus Christ to the lost in the worst of places. They are planning to make a run to Sturgis, let's all praise God for their willingness and cover them with our prayers. "For God so love the world that HE gave His only begotten Son, that who so ever believeth in Him should not perish, but have everlasting life". John 3:16

❖ South Texas

Howdy from Texas,

January.....the beginning of a new year. Time goes on. You can't change the past. You have the chance or opportunity to change lives in the future. But what we do today is what we were chosen for.

As HSMM we all have a Past!
As HSMM we all have a Future!
As HSMM we all have a Lot to do!
As HSMM we need prayer for guidance, strength, healing, physically, mentally and spiritually.

I didn't get to attend the National Officers meeting in TN this year due to work being slow. I apologize for that. I did pray for insight and traveling grace for those who were able to attend.

The New Waverly Chapter needs prayer as we all do. We are small but diverse. We recently participated in a Christmas Parade, we had 4 bikes and a Mule (4 wheels). As a chapter, at Christmas, we donated to Granny's House (halfway house) for the men and women. Some of us go into the prison to minister. David and Stacey are doing the Saturday Street Party/Bike Blessings. We have a member going through Truck Driving School. He is excited about the new opportunities to minister. Another member just opened a Pizza Restaurant and is talking with a lot of folks about what God has done in his life. Judy and I are still attending the local CMA Chapter meetings. HSMM has been invited to do rides and functions with them to show unity. Now.....that's a God thing.

We also have a new beach house available in Galveston Texas for the Lone Star Rally early November. There is no charge to stay there. Anyone wanting to come is invited.

Blessings to all,
Tommie Lucas

❖ Virginia HSMM

WOW!!! What an Officers' meeting we had! So good to see old and new brothers and sisters in CHRIST. The Officers' meeting was a blessing and painless, the ladies were on Fire and what a blessing it was for us all. And then to have a worship service after all the meetings was right on time .Thanks to Rodney Deese, Victor Torres and Scott Creasy for the word and also Canada for the music, Razzberry you was right on time!!!

Speaking of the Canadians, they say that they are taking the tug of war again. I am looking forward to seeing you all again real soon. This year started off slow and now is filling up with shows, bike blessings, feeding the homeless, breakfast meetings and more. God is in the House and he is moving here in Virginia. I want to thank the guys from Virginia that took the time to come to this year's meeting . To all the members here and everywhere, we all have a gift to bring to this ministry and GOD will use you for it.

Love you all and remember ITS ALL ABOUT JESUS !!! That's why we do what we do. Praise GOD, in His name AMEN. JESUS love you all !!!! Call me or email me sometimes.

❖ Central Virginia Chapter

First I want to say what a Blessing it was to be at the Officer's Meeting in Chattanooga..and it was good to see everybody...The brotherhood was amazing! The meetings were productive..and the Saturday night service was awesome!

Congratulations and welcome aboard to the new Central Alabama and Maryland chapters...also congratz to "Z-man" for becoming FL State Rep...Dano for becoming NC State Rep...and Rusty for becoming TN State Rep..

Not much to report on within the chapter. It has been a slow winter. The cold has kept everybody hibernating. The chapter does have a new member, Mike "Guru" Valence. Mcgyver doesn't have nothing on this dude! Give him a matchbook and a roll of duct tape and watch him go to work!

Not only is this chapter becoming more united within, it's getting more united with the other local M'Ms. Some joint events are being planned such as a campout in July (Powhatan, VA) and the 2nd Annual Rendevous/Biker Revival (Naola, VA) in August which will also be a campout. But I'm looking forward to HSMM International Friends and Family Reunion! Let's make a week out of it. I'm looking forward to "raising some heaven in 2011".....Are ya with me?

Oh..I almost forgot....Happy Birthday Rodney!!! You old goat. Lookin' forward to serving and ridin' with ya soon brother! (when the snow goes away..)...and yes..it's snowing as I sit here.

For those of you able to be on your scoots....Ride safe in HIS wind! May God continue to Bless you and this ministry and as always if I or this chapter can be of assistance, let us know.

Virginia Chapter

The Virginia Chapter distributed 100 turkeys to the needy at Thanksgiving. We set up The Moss Free Clinic in Fredericksburg, but ended up going into the neighborhood to give the turkeys out. All Glory to God. The Spotsylvania Christmas Parade was an awesome experience. Keeping Hope Alive with 9 bikers with reindeer antlers, 3 elves and a Harley Davidson lawn mower is a great example of how we have such as awesome GOD. Anything is possible!

We are excited for the New Year. God is going to do awesome things this year....through HIM all things are possible. We have partnered up with Salem Fields Community Church to organize a "Biker Homecoming" this fall. More details

as they become available. We are humbled to be a part of an upcoming event in July. The unity of MANY Christian biker organizations coming together as ONE to reach the unsaved through a weekend bike rally, God is good....All the time.

The annual officers meeting brought back to Virginia some great information and was greatly enjoyed. Thank you and God for the opportunity. President Ernest Grigsby..... Wake up Ernest we have the whole year ahead of us!

An Encouraging Word

Momentum

I can't begin to express how blessed I was at the Women's Meeting in January in Chattanooga. It was so exciting to see sisters I have known for many years, but excited also to see new faces of ones that had never attended before.

In our meetings , there were two women that I had asked to speak to our group on Saturday. These women had never spoken to any group before. I was encouraged that weekend with something I saw called MOMENTUM! One definition is a "Mass in Motion". I looked around at all the Officers that had gathered at their meeting. I looked at the Women gathered in theirs and saw a Corporate Mass of Believers Moving forward with GREAT Momentum. We are an Army that is on the MOVE! Many are and have gone through much, but in the process God has instilled within us an ability to keep focused and MOVE forward with Mighty Momentum.

The women that shared at our meeting on Saturday will never be the same. They stepped out in Great Faith and the words they spoke had great momentum that took the rest of us into higher heights in the Lord Jesus Christ. You can't have Momentum and Rest. We are stepping out of the Box of Fear and anything else that has held us back. We are vehicles of Movement that are making a difference in our Counties , Communities and States. I think of a "Locomotive". Saints, we are on the right track and God has a Destiny for us. Don't Rest now, but allow the Power of the Holy Spirit to Move us ahead into new territory of GREATNESS filled with the Glory of the Lord!!!! I love and appreciate you all. You're a Blessing !

Words of Wisdom from the Chaplain

“Follow me?” Or “Follow me!”

We all know that Jesus spoke those words to His disciples and He gathered them from among the masses. He was worth following. “Follow me and I will make you fishers of men”. “If any man will come after me let him deny himself, and take up his cross, and **follow me**. Sounds good coming from our Savior. Those are instructions most of us could find easy to go along with.

How about this, did you know Paul also shared similar sentiments with New Testament believers? **1Cr 4:16**, "Wherefore I beseech you, be ye **followers** of me." Seems he shared this on a number of occasions. **1Cr 11:1**, "Be ye **followers** of me, even as I also [am] of Christ." My question is, could you say that? Is your walk worth following? How bold of a follower must you be to be a leader?

We all know that our Lords walk was worth following. However, when that same injunction comes from Paul we seem to say "hey wait, he's one of us." I realize the Apostle Paul's life was one of supreme example. We would do good to take his advice.

God's plan didn't stop with Jesus or Paul walking walks that were worth imitating or replicating. We often like to put the works that the Lord did on a shelf as unattainable. Paul's accomplishments were many and they were noteworthy but nestled within his letters to other believers were those weighty words, follow me.

I have no doubt that we as parents feel the weight of responsibility regarding our children. We want our children to follow our example. That is, if it is worth following. I know in my life many mistakes were made that I attempt to help my children avoid. Likewise I want to be a spiritual example to other believers to the point where I could say, follow me! What kind of steps would you need to take before you could turn your question of should people follow me? into, Follow me as I follow Christ!!

I hope that you can say with certainty that your walk is one worth duplicating, one worth replication and one worth following.

Be Blessed
Brother Scott
