

# Saints Around the World

Since this is just a quick newsletter to get it out there and find out if this works we don't have a whole lot to put in. This page will be for messages and going on's around the globe. If you would like to submit something for the next newsletter please send to us by June 15th. The first "Official" newsletter will go out in July, then every two months there after.

\*Batman--- First and Foremost I would like to thank the Lord above, for a beautiful day that we had for our Memorial Ride for Barry on April 13, 2008. I would like to thank all the Heaven's Saints that was able to come and make this ride one that He would be proud of. We had approximately 30 bikes involved, mostly Heaven's Saints but some locals also. We enjoyed fellowship with Fran and the family after the ride. It was a wonderful day. We are now looking forward to several more upcoming events within the coming months.

\*Zman-- National Treasurer--- What else would I talk about!?!?! MONEY!!!

Of course money plays an important part of our lives today. Money itself is not bad or evil. You all know that it is the love of money that brings us all down. Anything that is in between you and the Lord is not acceptable. We all need money to survive in this day and age, well ---kind of!!!

God says He will provide for ALL of our needs. No doubt He can, no doubt He will because He said He would. We in turn can show God our faith by tithing to our local church. The firstfruits belong to our Father.

So this is it for this month. We are working on revamping the 100's of addresses we have. This "newsletter" is going out to all the Chapter Presidents so you can pass it on to those in your flock.

PLEASE SEND ANYTHING YOU WANT IN OUR "FIRST OFFICIAL NEWSLETTER" TO OUT IN JULY TO US BY JUNE 15TH. EMAIL WOULD BE BEST SO I CAN COPY AND PASTE. IT WILL HAVE A LOT OF POST RALLY INFO IN IT AND UPCOMING EVENTS FROM ALL YOU CHAPTERS. THANK FOR GIVING ME THE OPPORTUNITY TO DO THIS FOR YOU. BE BLESSED DONNA "Z"
