From the President:

Greetings Brothers and Sisters,

2008 is soon coming to an end. Our ministry has come through some tough times these past couple of years, but we have stood strong on our foundation - Jesus Christ. He is the Rock that this ministry was founded on by Barry Mayson.

As we approach the holiday season, it seems that most of our busy schedules get busier with food drives, church activities, toy runs and other ministry events. I want to encourage each of you to spend time with your families and friends, but more importantly take time to spend with our Lord – giving Him thanks for all of His blessings and reflecting where we are with our walk with Him and where He would have us to be. *Psalm 100:4, Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name.* This ministry is only as strong as our walk with Jesus. When we are where we need to be with Him, then and only then can He use us to our fullest potential for His Glory.

As we prepare for the upcoming officer's meeting in January, I ask that each of you continue to hold the officers up in prayer. If you have anything that you would like to be put on the agenda, please let me know. I know that the desire of all of us is to do the Will of The Lord, so that the Heaven's Saints will continue to grow in the Lord and reach lost souls. As we move toward a new year, I'm excited to see what opportunities the Lord has for us, the Heaven's Saints. What doors God will open and what doors God will close, for it is only by His will that these things are done.

In this past year, Patty and I have had the honor to serve the Lord and this ministry in a new capacity. We have traveled to be with many of you at your organized events and are looking forward to being able to visit with more of you and support you in the upcoming year. We covet your prayers as we strive to do God's will in our lives and this ministry. As always, if there is anything I can do for you, please contact me, I am always here for you. God Bless each of you.

Your brother in Christ,
Curtis Jamieson

News From Our Ministry Around The World

❖ From the Vice President

First of all, THANK YOU! Your prayers for my parents have been so appreciated. These past months have been very difficult but the Lord is going before us all in my family and we see Him at work. We know this time in being my parents total care givers is only for a season. My dad had stage 3 Alhizheimers and my mom is in heart failure because of closing arteries. I was honored and humbled when I got the call from the Rally that I was the new Vice President. I believe that even these past months with my parents has been a preparation for what God had ahead for me in ministry in being the new V.P. It's all about being a servant! I want to say I am going to continue in this ministry to run with Barry's vision. Serving those in my home, and you all in the ministry, and those in the streets is what being a Christian is all about. I must decrease and HE must increase! In decreasing we find it's no longer about me but ALL about Him and obedience! Obedience to His total will for our lives in serving others and that brings something called UNITY!

My heart is to serve you all in this ministry to the best of my ability. We are still having our Friday night's fellowship here at my house. We have One Stop Roadhouse coming up and we are running with the vision God has set before us for this community. I look forward in seeing what God has ahead for us each individually and us as a ministry. Thanks again for your prayers!

God Bless!
Terry Moore

❖ Report from Canada

Things are going great in Canada. We had a very busy year. The Lord has been increasing members in the Windsor Chapter. We also have a new chapter in Tillsonburg that started in May, resulting from putting a booth up at a bike show in February in London Ontario. We are looking at another chapter that may be forming in the Tilbury area. Barry's vision for us was 20 chapters or more in Canada, and we are on our way.

We are having our first Canadian National meeting November 1st. We are looking forward to the International meeting in January.

Canada has a very active prison ministry. The Windsor Chapter goes into the local jail in Windsor and shows different videos that have great messages, and the Tillsonburg chapter is going into two other prisons in their area doing the same thing. One is in London and the other one in Kitchener. We are having a great response from the prison teams.

This summer we have hosted a bike night on Wednesday evenings at our room in Windsor. With the weather starting to turn we were going to cancel it until spring, but we have had requests to keep the room open on Wednesday evenings for fellowship. So that is what we are going to do. We are excited in what the Lord is doing in Canada and can't wait to see what He will do in the New Year.

God Bless to all our brothers and sisters in the Heaven's Saints. Have a Merry Christmas and a Happy New Year.

Tim Carson
Canadian National President

❖ **Enterprise Alabama Chapter**

Greetings in the name of Jesus, from the Enterprise, AL Chapter of the HSMM. This year has been a very busy one for us in the Enterprise Chapter. We have had only 10 weekends home since the start of the 2008 year. We have been in North Carolina, South Carolina, Georgia, Florida, Louisiana, Mississippi, Oklahoma, and this week Robert Happoldt, President, played Jesus in the Reality Zone at the Blue Springs Baptist Association in Marianna Fl. God has opened so many doors for us. We have things in the planning stage for Fort Worth, Texas and North Carolina. The HSMM is making an impact. Keep God first and tell someone about Jesus today.

In His Service,
Rev. Robert Happoldt, -- President - Enterprise Alabama Chapter

❖ **Hello from Georgia.**

Man, this year has flown by. Here it is November and we still have things to do. In South Georgia everyone is on FIRE for GOD. We are growing every week. In the Tifton Chapter, we will elect new officers in November. We have new people coming and asking question about the Saints and how can they get involved, so we are growing. Right now we are 14 strong with more in the wings.

Albany is on track to explode in their area. They carry a strong Prison Ministry following. They are gearing up for a Thanksgiving Dinner to serve about 800 (+ or -) people. We are looking to start a new Chapter in the Americus/Cordelle area after the first of the year. I would like to ask everyone to please lift our Georgia Chapters up in Prayer. The Devil is attacking from every direction to slow us down.

Hope to see all the officers in January and everyone else at the National Rally in June.

Billy Owens
Georgia State Rep
President, Tifton, Ga. Chapter

❖ **Michigan Chapter Update October 2008**

Greetings Saints, from your brothers and sisters in the Lord from the Michigan Chapter. What a time we are having up north, and how quickly another year is almost upon us. It is hard to believe that the calendar we put together for 2008 is all but done.

As most of you are aware by now, Terry Moore has received the position of International Vice President back at the national rally. Because of Terry's appointment to the International Office, we will have a slight change in our chapter leadership. With that said our chapter could not be more proud of his nomination and acceptance of a higher calling within the ministry and we know Barry is smiling down upon us all!

We recently held our 2nd Annual One Stop Roadhouse event this past August in which we reach out to the biker community and secular clubs. Sammy McCoy from Ohio came up and was one our guest speakers. We also had Ron Welker (a retired Scorpion) at our event and both speakers were such a blessing to all in attendance. Not only was the event spiritually a success but even more so financially. We were able to pass the helmet around the room, and collect a tidy sum for the Fran fund account. (Thanks Z-man & Donna for taking that on). Special thanks go out to all who were instrumental in putting this event on – you know who you are!

As the holiday season quickly approaches, we'd like to keep our focus on the Lord and let His will be done. May God Bless each of you and keep you safe.

❖ Greetings from the NW Florida Chapter

The great comedian Jerry Clower often interjected into his monologue “Ain’t God good”. Indeed He is...all the time. God has richly blessed NW FL HSMM this past year. I feel that this is largely because God sent us the person we needed to get us off our duffs...so to speak. We appointed Tom Heddle to the position of Ministry Coordinator as Duke stepped down to be more active in his church. (Thanks Duke for your service.) Tom, through his network of folks has been considerably resourceful in moving us in the direction for which God has intended. We have been able to minister, on a regular basis, in three different prisons and four juvenile facilities. In addition we continue to join with Bill Glass Ministries as individual members’ schedules allow.

Our Chapter has also been privileged to take part in community events which allowed us the honor of getting to know others and participate in their programs. Thereby giving us the opportunity to minister to those we otherwise might not have. These include several parades, biker Sundays, individual speaking engagements, hospital visitations, and of course our ride and eat events that always bring looks and questions. Our latest activity was our Fifth Annual Family Picnic, held at Three Rivers State Park in Sneads. Approximately 80 Saints, their families and guests gathered for a day of fellowship and food. Thanks to HS from Phenix City, Enterprise and Tifton for supporting us. We also had guests from Bikers for Christ and Chariots of Light. The weekend concluded with a Biker Sunday at Gateway Baptist Church in Blountstown, with our own Chaplain, Rodney Deese speaking. The service was broadcast on the local radio station.

A special thanks to Tom Heddle for his unselfish dedication. I am greatly thankful that Tom only has 30% of his heart functioning. Were he to function fully, we would no way be able to contend with what I am sure he could throw at us. Please keep Tom in your prayers.

HSMM NW FL has also been richly blessed with an increase in the fold. All have participated in ministry opportunities as they have presented. It is a blessing to be a part of this ministry and worship with God’s people.

Until next time...“Ain’t God good”.

Take care and God bless,
Lamar Deese
President, NW FL HSMM

❖ Brothers and Sisters,

The weather is starting to cool off and the riding season is coming to a slow down but the work of the Lord is still going strong here in Ohio. Our Friday Night Fellowship is going strong. We started this in the early spring with three to six people. It hasn’t grown by leaps and bounds but we have ten to twelve regulars. We had our first baptism this last Saturday the 18th of October. What an awesome evening.

We are starting to plan our Second Annual Barry Mayson/Ohio Rally Weekend. It is going to be held on the Fourth of July Weekend again. Last year, 2008, we had seventy people show up. What a time of sharing not only memories, but Tippy from Michigan gave an awesome message. The 2009 weekend will be better. More details to come in the near future.

It will be great to see everyone next year at the national rally. May God richly bless each and every one of us in the coming years.

God Bless,
Ken Spriggs
Ohio State Rep.
H.S.M.M.

❖ Stand Together or Go Home! Part 1.

Greeting brothers and sister saints. Our Virginia chapter may be losing members but we are still very active in spreading the good news of the LORD. We have been working real close with a few other ministries in our area through churches, breakfast, meetings, runs you name it. We may be small but we have a big heart, it's in the right place. October has been a blessing as we have been to two boys' detention homes and got to tell them about JESUS and drugs and drinking. Had our first Christian biker breakfast for all ministries so we can work together as one in JESUS name!

By the time you read this November will be here and we start on November 1st with our second biker breakfast where alot of ministries will be breaking bread and working together for JESUS. We all have things to bring to the table, different ideas, runs, meetings that we all can support our fellow Christian ministries with. It's all about JESUS, not what's on your back; it's in the heart that matters. Together we can stand with the full armor of GOD, United in CHRIST to go and tell all about JESUS. After we pig out at breakfast we will be riding to the 26th teddy bear run that goes to the children's hospital .We also have a booth there .We are sharing with another Christian biker ministry .The 4th is Will Radford's birthday followed by Gibbs birthday on the 6th, then on the 9th we have Feed the Vets run and then on the 16th we have our biker Sunday at the Courts of Praise. Will will be speaking there. Then the 17th is the day I asked JESUS to come into my heart, with Barry Mayson reading me the sinner's prayer. It's been 12 years and I still am a child of GOD. The 24th is Sue Grimsby's birthday; should I tell them how old you are??? Please keep us in your prayers as we move forward in the LORD, then Thanksgiving on the 27th". Let us come before HIM with thanksgiving, Psalms 95:2. Wow, where has the month gone?

December starts with a biker breakfast on the 6th, more things coming up. Let's all work together with our brothers and sisters in the LORD and help win the lost. With GOD'S grace we are all saved and standing together. We will be stronger and cover more places and meet more people to tell of the love of JESUS CHRIST. Remember the song "JESUS LOVES ME," sing it again and listen to the words!!! Keep us up to date on what's going on in your area and we might surprise you and see you there, Thanks again, send any info or stuff to me at rodneyrider@juno.com or call me. Remember it's all for JESUS!!!

Thanks, Rodney Gross HSM/FFS JESUS LOVES YOU ALL UNITED IN CHRIST
A special thanks to all the ministries as we work together. GOD Bless you all in JESUS name, AMEN
PS, remember the song "yes we are strong, not yes I am strong.
UNITED, TOGETHER AS ONE IN JESUS NAME Thanks!!!!

Your **HELP!** is Needed

Having an HSM newsletter is vitally important to keep us connected. We are scattered out, world-wide now, and it would be very easy to get disconnected without some form of contact. As wonderful as the National Rally is, once a year is just not enough. This newsletter is one way that we can maintain our sense of family. *But I can't do it without your help.* I plan to send out the newsletter quarterly, and will send out a call for your reports, news items, or whatever you want to share about a month prior to distribution. The plan is to have a word from our President, another from our Chaplain, and a word of encouragement for the ladies from Sue Moore, our Vice President's wife. If anyone else (officers, members of the board, members in an area without a chapter, etc.) would like to contribute also, whether occasionally or in every issue, that would be great. There will be a section for chapter and area news and a list of upcoming events, both HS events and other ministries.

Please feel free to share any ideas, suggestions, or constructive criticisms. This is my first venture and I want to make it OUR newsletter. Everyone, please take a part. I will be building the mailing list as I receive requests. For now, I hope this makes it to all Chapter Presidents, National Officers and members of the Board. Please forward to others in your chapters and make copies for those who do not have e-mail. Also, please send me names and e-mail addresses and I will add to the list. **I REALLY NEED YOUR HELP AND YOUR INPUT, I CANNOT DO IT ALONE!!**

God Bless!!
Mary Huckaby

Words of Wisdom from the Chaplain

Saints of God,

Warmest of Christian greetings. I wanted to take this opportunity to address you as another riding season comes to a close for many. Of course there are many of us that enjoy the fruits of a year round riding cycle and also those who weather the worst of conditions and continue to ride. The fact of the matter is that we all are impacted in some way by the seasons of change.

These seasons of fall and winter often reflect for many a melancholy feeling which attempts to bring individuals low. Holidays are often full of reminiscing over days gone by, past victories and also loss. Perhaps it is thoughts of a loved one who is no longer at the dinner table, or maybe the loss of family unity which once brought us all together in a festive manner. These feelings often need specific attention.

Statistics show that the many can not find the peace and joy which accompany this seasonal change. They instead attempt to avoid reality by isolation or even worse escape it by forbidden means. This is where ministry can find a niche. This is where Saints can come to the front to fight for the souls of humanity.

Of a truth we as Saints can have dramatic impact on the future by the way we minister in the present. The simple act of caring for someone who is negatively affected by such change can have eternal significance. We know that such simple acts can introduce the positive charge needed to ignite a soul for the kingdom of God.

Take a moment to reflect of the circle of your influence. Think of the answer of who Lord might I impact for you in this harvest season. Pray, Lord use me as a vessel to seek out and also help save that which is lost. Men and women all around us long for the caring touch that I know can come from you as the ministry of the Heaven's Saints. Come to the battles front. Care in the name of Jesus.

Yours in Christ,
Brother Scott
International Chaplain
HSMM

An Encouraging Word

Exodus 30:22 says God told Moses to take the Best Spices and mingle them together to make the anointing oil! When I think about the women of the Heaven's Saint's, I think about Corporate Anointing. Sisters in Christ, heart to heart and sharing with other sisters the fragrance (spice) we carry as we have spent time in our Fathers presence. This past summer I had a chance to spend time with Patty Jamison and Diane from Ohio. We talked and shared and I came away from them stronger and so appreciative of what they had to offer. We need each other! These are critical times and all that is being shaken certainly is! I encourage you to allow that gifting and talent you possess to be shared with your sisters. I think about those women in our ministry that are lonely and whose hearts are shattered. Maybe your family is suffering from the effects of the economy. Some are dealing with sickness and so need our prayers. Let's begin to get to know the special spice that each one of us carries. Let's mingle our voices of encouragement together and create a sound that let's each of us know how much we are loved and appreciated. When Mary asked me to write something, my thought was, "I want to know my sisters more in the Heaven's Saint's"! I want to hear their hearts and stand in the gap for their needs and families! Let's not only share our time together at a Family Reunion in June. Let's stay connected by e-mail, cards, or maybe a phone call through out the year! You're important to me and I need to be blessed by what you have to share. **YOU'RE A SPECIAL SPICE YOU KNOW!!**

Blessings!
Sue Moore- Michigan
